To my patients:

It is with mixed emotions that I am announcing the relocation of my practice outside of the Rio Grande Valley. For the past 17 years, it has been my honor to provide urologic care for you. My last day in the office will be November 1, 2024 after which I will no longer be able to provide urologic care to you. I would like to sincerely thank you for your loyalty and friendship over the years.

I strongly urge you to discuss this with your primary care provider as soon as possible. If your provider feels you need to continue seeing a urologist your provider can refer you to another urologist and authorize the visit. Patients already seeing a medical oncologist (cancer doctor) should continue to see them as already scheduled.

Regarding your medical records, you have a right to request a physical copy of your records. Enclosed is an authorization form for you to request your medical records. Your records will be available till December 31, 2024.

God bless you and I sincerely wish you good health.

Michael J. Finger, M. D.

Estimados pacientes:

Con emociones encontradas les anuncio que trasladare mi consultorio fuera del Valle del Rio Grande. Durante los ultimos 17 anos, a sido un honor para mi brindarles atencion urologica. Mi ultimo dia en el consultorio sera el 1 de noviembre de 2024, despues de lo cual, ya no podre brindarles atencion urologica. Me gustaria agradecerles sinceramente su lealtad y amistad a lo largo de los anos.

Le recomiendo que hable sobre esto con su proveedor primario lo mas antes posible. Si su proveedor considera que necesita seguir viendo a un urologo, puede derivarlo a otro urologo y autorizar la visita. Los pacientes que ya estan viendo a un oncologo medico (medico especialista en cancer) deben seguir viendolos segun lo programado.

Con respecto a sus registros medicos, tiene derecho a solicitar una copia fisica de sus registros. Se adjunta un formulario de autorizacion para que solicite sus registros medicos. Sus registros medicos estaran disponibles hasta el 31 de diciembre de 2024.

Que Dios lo bendiga y le deseo sinceramente buena salud.

Michael J. Finger M. D.
